To Our Auto Glass Customers:

By now, you are all aware that the glass manufacturers have increased prices to the trade. As a result, ACI Distribution will implement an auto glass price increase effective with orders placed July 30th. The increase will be 4% on windshields, and 7% on tempered parts.

We will continue to be competitive with market conditions, and we are committed to working hard every day to earn your support.

THANK YOU for your business.
