## Delta Kits, Inc. Reports Record Month

**Eugene, OR. — May 4, 2009** — Despite uncertain worldwide economic conditions the windshield repair industry is holding its own in 2009, and April was the best month ever recorded by Delta Kits, Inc. shattering its previous mark by 15%.

“The Delta Kits team works tirelessly to service our customer’s needs as quickly as possible, often going above and beyond the call of duty. It is this commitment to our customers that will help us maintain our position at the forefront of the windshield repair industry and obtain record sales for the 2nd, 3rd and 4th quarter of 2009, ”said Delta Kits Account Executive Korey Gobin. “In addition, this performance reflects the power of our brand as well as the innovation and quality of our products.”

Often criticized by competitors for being an industry maverick, Delta Kits continues to prove the company is in sync with the wants and needs of professional windshield repair technicians around the globe, by posting sales records on a regular basis.
