Glass.net to Sponsor Internet Lounge at IGA Spring Auto Glass Show

Glass.net, the Walla Walla, Wash.-based subsidiary of QualitySmith Inc. that provides marketing and service fulfillment to the auto glass industry, has signed on as a sponsor of the Independent Glass Association's (IGA) Spring Auto Glass Show.

In lieu of the traditional sponsorship, which often provides for a cocktail party or other networking opportunities, Glass.net has signed on to provide an Internet lounge for attendees to the show. The lounge is designed to provide attendees a chance to check email for free while at the show and will be open during trades how hours.

The IGA is the only association dedicated to the needs of the independent glass companies and to the professional and ethical installation of glass in a safe and proper manner. IGA members are located in all 50 states and ten countries.
