

**JANVIL, Inc of Cartersville, GA Turns 10.**

JANVIL, Inc is proud to announce that they are celebrating their 10th year of providing restoration products to the glass repair industry. Janvil began its existence as a windshield repair service company in 1997. With the assistance of professional engineers and Doctor of Organic chemistry, the company quickly grew into a multifaceted supplier to the Windshield repair industry. In 2005, Janvil refocused its efforts on their glass and plastic restoration products line as well as development of several new products that JANVIL plans to introduce in 2008.

The staff at Janvil would like to express their gratitude to all those who have patronized the company over the past decade. In honor of this 10 year anniversary millstone, Janvil is offering many of their systems at a 10% discount.
